The **Western Maryland Soccer Officials Association (WMSOA)** invites you to become a member of our Association.

Who is WMSOA?

WMSOA provides USSF certified officials for USSF member organizations. Since its formation, WMSOA membership has grown to include National Federation (High School) and National Intercollegiate Soccer Officials Association (NISOA) registered referees. We currently register over 220 members.

Why join WMSOA?

Membership in WMSOA allows coordination of match assignments for Leagues we service. Our current clients include:

- Frederick County Youth Soccer League (FCYSL)
- Baltimore Beltway Soccer League (BBSL)
- Club Champions League (CCL)
- Old Dominion Soccer League (ODSL)
- City of Frederick Parks and Recreation Program
- FC Frederick Academy U 9 – Hexa League
- Central Maryland Short-Sided League (CMSSL)
- National Capital Soccer League (NCSL)
- Frederick County public high schools, private high schools.

Membership in WMSOA also provides you with quality in-service training opportunities, adult and youth referee mentoring, a web site which includes information regarding referee training (in-service clinics, entry level classes, physical test, etc.), opportunities to recertify with USSF, NF and NISOA, helpful tips, referee report forms, and tournament dates.

What is the cost to join WMSOA?

The membership fee, usually deducted from your fall or spring earnings, is:

- Adults (age 18 and older) \$25.00
- Youth \$20.00

Additional Fees are required to register with either NISOA (\$80) or NFHS (\$37) through WMSOA. USSF Registration Fees are paid to Maryland Soccer Referees (MSR), not WMSOA (Fee amount depends on USSF Referee Classification Grade). You will be invoiced for all WMSOA Fees or they will be withheld from referee payments. Active members in good standing must be current in fee payment to WMSOA. Dues may be sent to the WMSOA post office box: **WMSOA, P.O. Box 1304, Frederick, MD 21702.**

SCHEDULING

Scheduling is handled through the on-line scheduling program at www.arbitersports.com. Log on per instructions from Mike Truax to provide your availability information and view your assignments. **If any of your contact information (email address or phone numbers) changes, notify Mike mtruax@myactv.net and the WMSOA secretary, Randy Rupp, at rpr5906@comcast.net immediately. Check your email regularly!**

How Do I Turn Back Games?

Call Mike Truax **at least 72 hours before the match** to turn back assignments you cannot do - i.e. Saturday matches should be turned back by Tuesday evening.

What if I Want Additional Games?

Turned back games and rescheduled matches are often available via the scheduling web site, www.arbitersports.com.

What if I do a game for which I was not scheduled?

It may happen that you are at a field as a fan or were working on an adjacent field and you discover that a game has no referee. If you step in to do that game **in full uniform**, fine. If the game is **not** a cash game, in order to get paid for that game, call Mike Truax **that same day**

It may also happen that someone other than the WMSOA assignor (a coach, league official, for example) calls you to referee a game. **If you are doing an unsanctioned game not assigned by our assignor or another USSF assignor, and it is a game involving league teams, you will NOT have USSF insurance protection, WMSOA's help should any incident occur, nor possibly league backing for you as an official. You CANNOT wear your USSF badge. If you are not sure if the game is sanctioned contact Mike Truax BEFORE accepting that assignment! If you referee any game not assigned to you by WMSOA it is your responsibility to get payment from the person who called you.** WMSOA will not guarantee payment for that game.

What to do for inclement weather?

Check for an email in your inbox before going to the field. You may also consult the on-line referee handbook for cancellation information for each league. Find the handbook and field directory at our web site, www.wmsoa.net . The handbook and field directory for each season is always attached to an email sent to you before the beginning of each season. Print out and carry both documents and refer to them for relevant information.

What if one or both teams do not show or one team lacks sufficient players?

There is no match. Do not officiate informal scrimmages. Call or email (assignor@wmsoa.net) Mike Truax **that same day** to report the details.

What If One Referee Does Not Show?

USSF forbids the use of dual referee crews. If only two referees appear for a match, one is the Referee and the other is the Assistant Referee. You may recruit a club linesman for the third position.

PAYMENT

You will either receive the game fee in cash (cash game) at the game site or you will be paid by check (credit game) at the conclusion of each season. Please check the match information below to determine if the game is cash or credit. No Assignor fees will be collected from you for FCYSL, CMSSL or college games. At the end of the calendar year you will receive a Form 1099 (Statement of Earnings) if your total earnings received from WMSOA were over \$600.

PREGAME

Before you start the match, please do the following:

- Make sure you are at the right field and doing the correct game when there are multiple fields.
- Check the goals - **They must be secured to the ground!**
- Check player equipment, especially **shin guards and jewelry.**
- Check the ball for correct size and inflation.
- Introduce yourself to the coaches and confirm the rules of competition.
- **If either team plays with uniform jerseys the color of your referee jersey, change your jersey or wear a penny.**

DURING THE MATCH

Please be aware of the following when doing your matches:

- **Protect the goalkeeper**, especially in U-8 through U-12 matches. Possession of the ball means the keeper has at least one hand on the ball while the ball is on the ground or the ball is held in the keeper's hands. If you have any doubt about possession of the ball, err in favor of the goalkeeper!!
- **Player safety is your first priority!!** For the U-8s and U-10s, if a player goes down injured, no matter how slightly, **stop play immediately.** The older the age group, the longer you may wait to determine the nature of the injury before stopping play but for the younger children, **stop it now!!**
- In the event of **lightning and/or thunder**, stop the game and tell players and coaches to seek shelter away from the field. **You must wait a minimum of 30 minutes from the last sound of thunder before restarting the match!**
- If you are getting verbal abuse from coaches, before you pull out your cards, speak with the coach in a polite manner to let him know you hear his concern. If the abuse persists, give the coach a yellow and then, if necessary, a red card. **WMSOA does not tolerate referee abuse and supports you on this issue! Report abuse to respective Representative and Assignor immediately following the match.**
- If a fan(s) is abusive, speak to the coach. Coaches are responsible for the behavior of their fans. HS and College referees should see the AD instead.
- **If you issue a red card, ALL red cards MUST be reported by phone call and in a game report to the WMSOA USSF, NISOA or NFHS Representative and assignor that same day.**

AFTER THE MATCH CONCLUDES

- Watch the teams during the handshake.
- If you issued **red cards** or if you need to file a game report to **cover abuse by a fan** or **coach** contact the respective Representative. Game reports may be found on the WMSOA web page (www.wmsoa.net) and should be sent to Mike Truax at mtruax@myactv.net and:
Jon DuBro at cutigerinmd@gmail.com for USSF matches
Elvis Butler at elvisbutler@hotmail.com for college and high school matches
- Call a Board Member or your Mentor if you want to discuss any general game-related issues.

REFEREE HANDBOOK and FIELD DIRECTORY

The WMSOA Referee Handbook and Field Directory for each season is attached to a preseason email and located on our web-page (www.wmsoa.net). The Handbook and Field Directory are up-dated seasonally.
